Course information

What is a diploma program?

UTS Insearch diplomas are designed in collaboration with UTS, and in most cases, are equivalent to the first year of study in a UTS undergraduate degree. Based on successful completion of a diploma program, with the required GPA, UTS Insearch students can fast track into undergraduate study at UTS.

Course dates 2018

Special needs information

What is special needs and why is it important?

Special needs applies to all students with disabilities and ongoing medical conditions. We are committed to supporting the educational needs of all enrolled students including those who have special needs. By providing us with correct and detailed information about any special needs you have, we are able to ensure that we have the correct resources and can support you. Please ensure you advise us when completing your application form. You will need to include medical certificates or other relevant supporting documentation as part of your application.

How to apply

1
