UTS Foundation Studies

Our preparation program is designed for successful year 11 international high school graduates and provides pathways to UTS College Diplomas or, for successful students, entry into the first year of most UTS undergraduate degrees.

Delivered by UTS College on behalf of UTS.

■ Standard (8 months)

■ Extended (12 months)

Diploma Programs

Our diplomas offer entry to 1st or 2nd year of selected UTS undergraduate degrees if you don't meet the academic or English requirements for direct entry.

Delivered at a pace that suits you with an option of combining a diploma with English (Extended program).

■ Accelerated (8 months)

■ Standard (12 months)

■ Extended (16 months)

- Business
- Communication
- Design & Architecture
- Engineering
- Information Technology
- Science

Pre-Master's Program

Our Pre-Master's Program offers entry to 2nd semester of selected UTS master's degrees if you don't meet the academic or English requirements for direct entry.

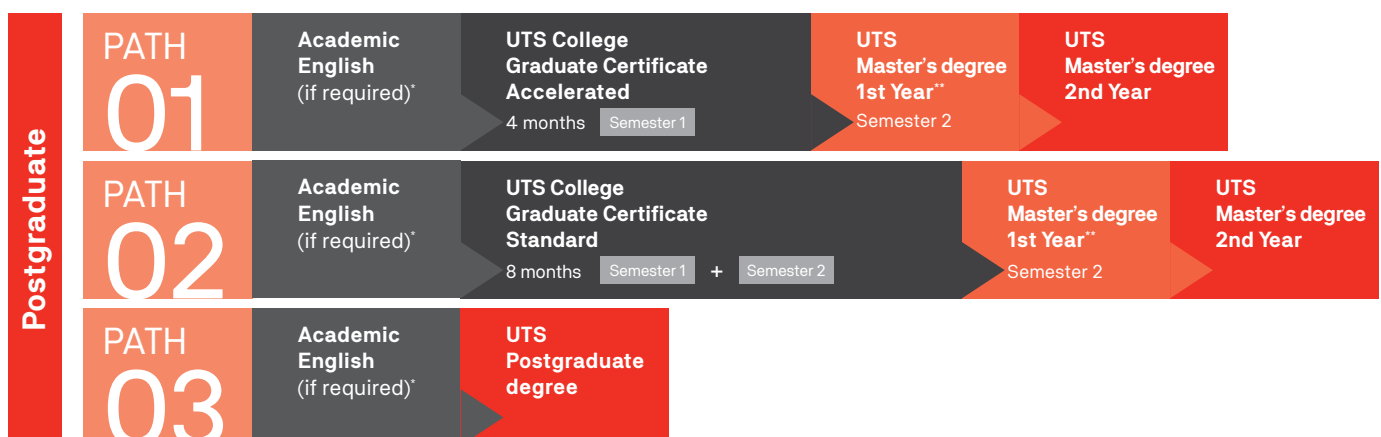

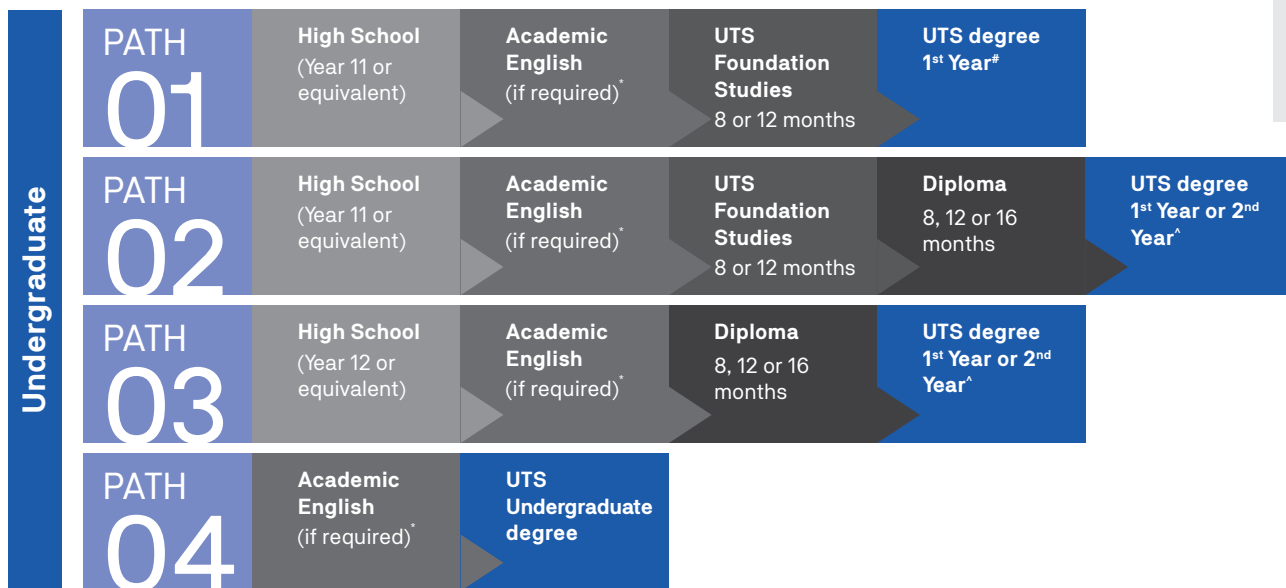

You'll graduate with a recognised graduate certificate and 24 credit points towards your UTS master's degree.

■ Accelerated (4 months)

■ Standard (8 months)

- Accounting & Finance
- Communication
- Technology Practice

*You will only be required to enter a UTS College Academic English program if you do not meet the English language entry requirements.

**Articulation requirements to UTS master's degrees vary for individual graduate certificates at UTS College. See website for details - utscollege.edu.au/programs/pre-masters-programs

[#]This pathway is only available if you achieve the required Grade Point Average (GPA).

[^]The point where you enter into your UTS degree will depend on your major and is generally based on no more than two subject failures. Not all majors will take you into second year. Please refer to the individual program pages in this guide for full credit point details. Note: Articulation of Diploma of Science students to some degrees is based on successful completion of the Diploma of Science.
