

**UTS College**, the leading provider of pathway programs to UTS, provides guaranteed entry to the second semester of your chosen UTS master's degree based on successful completion\* of the UTS College Pre-Master's Program.

### The UTS College Pre-Master's Program offers:

- 24 credit points towards your UTS master's degree
- a recognised graduate certificate (AQF8) qualification
- an interactive and engaging **model of learning** using leading technology
- English language and literacy skills embedded into the program
- verifiable digital badges awarded for language and literacy skills
- a choice of two graduate certificates – Accounting & Finance and Technology Practice
- the option of an accelerated program (1 semester) commencing semester 1 or 3, or standard program (2 semesters) including Academic English commencing semesters 2 or 3
- the opportunity for collaboration and group work with students from all over the world.

UTS College graduate certificates have been developed in collaboration with UTS and offer equivalent first semester subjects to ensure your education is equal to the first semester of your master's degree.
