THE YOUNG UNIVERSITY RANKINGS 2019

Globally

At UTS, we think differently: we take a global approach to education that has innovation at its core.

What's more, we're a university for the real world: all our courses are closely aligned with industry need, so what you learn will prepare you for your future career. And we're located in one of the world's great cities, on a dynamic and interconnected campus that will inspire you to learn.

The UTS Business School offers undergraduate courses across a range of emerging and traditional disciplines including:

- > Accounting & Finance
- > Economics
- > Management
- > Marketing

Our Faculty of Engineering and IT offers undergraduate courses across the following disciplines including:

- > Biomedical Engineering
- > Civil Engineering
- > Computer Science, Data Analytics/Mining
- > Games, Graphics and Multimedia
- > Mechanical Engineering
- > Mechatronic Engineering
- > Networking and Security
- > Software Development and Programming
- > Systems Design & Analysis

To find a course that's right for you, visit:

[www.uts.edu.au/future-students](http://www.uts.edu.au/future-students)

UTS is offering international students completing the UTS Insearch Diploma at UTS Insearch Sri Lanka **25% off** their tuition fees for the duration of their course.\*

To be eligible for the scholarship#, students must:

- > complete a UTS Insearch Diploma undertaken at UTS Insearch Sri Lanka with a minimum overall GPA of 6.0 out of 7.0, and no fail
- > be commencing full-time, on campus studies in a UTS undergraduate degree that directly articulates from their UTS Insearch Diploma course, in the next available intake after completion of the candidate's diploma.
